

Master of Science in Psychology (Competency Based-DA) Massachusetts Program Disclosure

COST OF PROGRAM:

This program is a Direct Assessment program, which is offered using a nonstandard term academic year comprised of four 12-week terms. Students can choose how many courses, and associated CUs (typically 3 CUs per course), they complete each term. Tuition for University of Phoenix Direct Assessment programs is charged at a fixed amount per enrolled term regardless of the number of courses/CUs in which students are enrolled for that term. Therefore, while the amount charged per term is fixed, the total estimated tuition charges for this entire program depend on the pace at which courses/CUs are completed. The table below provides three estimated total tuition charges for the program based on the number of courses/CUs completed per term. Students must be enrolled in a minimum of 6 CUs in a term to be in Active Full-Time Enrollment Status, and cannot be enrolled in more than 12 CUs in a term.

**GRADUATION RATE:** N/A

This program is new. Therefore no relevant data is available at this time regarding the percentage of students attending online who graduated from the program during the last two calendar years.

940 CMR 31.03 defines graduation rate as the number of students who received certificates, diplomas, or degrees in the program during the latest two calendar years, divided by the number of students who enrolled in the program during the latest two calendar years. This required definition may result in a graduation rate greater than 100% when the number of students who enrolled in the program during the time period is lower than the number of students receiving certificates, diplomas, or degrees during the time period because the required definition does not consider the total enrollment of the program over the time period. Similarly, the required definition may result in other disproportionately high graduation rates in the event that the number of students who enroll during the time period is less than the total number of students in the program who are eligible to receive certificates, diplomas, or degrees during the time period because the required definition does not consider the total enrollment of the program over the time period. Alternatively, the required definition may result in disproportionately low graduation rates in the event that the number of students who enroll during the time period exceeds the total number of students in the program who are eligible to receive certificates, diplomas, or degrees during the time period because the required definition does not consider the total enrollment of the program over the time period. A Graduation Rate of "N/A" indicates that there were no

**YOUR LOAN DEBT (Continued):**

University of Phoenix official federal cohort default rate for the period above is 0.0%. The percentage of University of Phoenix borrowers who had at least one of their federal loans in deferment or forbearance is 84.4%*. Deferment and forbearance are not default, but a postponement of payment, usually due to a return to a post-secondary institution for further education or an economic hardship*. University of Phoenix does not offer institutional loans to its students.

* Note: The Loan Nonpayment percentage includes students in a forbearance status because of the COVID-19
