Monitoring Off Campus Locations of Recognized Student Organizations

UOPX does not have any officially recognized student organizations with off campus (i.e., noncampus) locations and therefore does not monitor or record criminal conduct occurring at such locations.

Reporting VAWA Offenses

UOPX strongly encourages reporting of sex and gender-based discrimination, harassment, and violence, including acts of dating violence, domestic violence, sexual assault, and stalking. Reporting may be made at any time.

Complainants are encouraged to:

- Get to a safe place

- Dial 9-1-1, if in immediate danger or seriously injured

- Accurately and promptly report the incident to the police and pursue criminal charges

- Seek medical treatment as soon as possible, including the collection and preservation of evidence that may assist in obtaining a protection order or prove an offense occurred (while sexual assaults may not result in external physical injuries, it is important to receive medical attention to check for internal injuries)

- Access support services provided by UOPX

Report any incident to the Security Operations Center (SOC) at (866) 992-3301, Campus Safety Coordinator, Title IX Coordinator at (602) 557-1823 or TIXC@phoenix.edu, and/or the Ethics Helpline at (888) 310-9569 or <http://UOPXhelpline.com>

Reporting Weapons on Campus

No weapons are permitted on campus. In the event anyone brings a weapon on campus, call the SOC so that it may respond to the situation as soon as possible. If a threat or danger to the campus community is perceived, call 9-1-1 to report the weapon. UOPX Corporate Security may choose to deploy authorized armed security personnel as needed. Next, call the SOC so that it may respond to the situation as soon as possible. After calling 9-1-1 and the SOC, report the weapons incident to the Campus Safety Coordinator so they may also respond.

A list of [Campus Safety Coordinators](http://www.phoenix.edu/about_us/campus_safety/campus_safety_contact_list.html) is on the UPOX website at www.phoenix.edu/about_us/campus_safety/campus_safety_contact_list.html.

Employee Reporting Process

UOPX employees are responsible for properly reporting health, property, and safety incidents using the [Online Incident Report Form](#). Employees are encouraged to complete the form within two (2) business days from when an incident occurred (or upon first knowledge of the incident). Incidents are automatically routed to the applicable departments where appropriate action is taken.

Confidential Reporting to a Counselor

UOPX operates educational training facilities known as Counseling Skills Centers at the Phoenix Main Campus (in-person services) and Southern California Campus Main - Ontario (virtual telehealth services). These Counseling Skills Centers model mental health clinics and offer complimentary services to members of the University and local community. Centers are staffed by counseling graduate students who work under the direct supervision of licensed, experienced professionals. For more information, or to contact a [Counseling Skills Center](#) near you, please visit <http://www.phoenix.edu/students/counseling-skills-centers.html>. To make an in-person appointment at the Phoenix Main Campus please call (602) 557-2217. To make a virtual telehealth appointment at the Southern California Campus - Ontario, please call (909) 472-3798.

Crime victims seeking professional counseling through the Counseling Skills Centers will have their information kept in confidence. Even if a victim gives the professional counselor permission to release their identity, the counselor may only report the occurrence of the event itself to be included in the annual crime statistics, unless otherwise required by law.

UOPX does not have pastoral counselors, and it does not have policies or procedures that encourage its professional counselors, if and when they deem it appropriate, to inform the person they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual report of crime statistics.
