" _____ " is the number of graduates who took the first available exam in the reported calendar year.

" _____ " is the date for the first available exam after a student completed a program.

" _____ " is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

" _____ " is the number of graduates who took and passed the first available licensing exam after completing the program.

" _____ " is as reported by graduate or graduate's employer.

" _____ " is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
