The following Bachelor of Science in Criminal Justice Administration (BSCJA) program is offered at these University of Phoenix campus locations: Sacramento Valley. The availability of programs depend on student demand and other factors. Not all programs may be available to all residents of all states. Please contact your enrollment representative for more information.

The Bachelor of Science in Criminal Justice Administration is to equip adult learners with a fundamental understanding of the essential components comprising the American criminal justice system. Students will learn basic management, administrative and financial skills relative to criminal justice agencies. The program also strives to familiarize students with current trends, research techniques, and problem-solving methods in the discipline. This program is designed to bridge the gap between theory and practical application through core instruction in criminal justice as it is represented in the domains of law enforcement, criminal courts, and corrections.
