Benefits

A screenshot of a website for the CITI Program. The top navigation bar includes links for Solutions, Catalog, Organizations, Individuals (which is highlighted with a yellow box), About, and Job Board. Below the navigation is a large search bar with placeholder text "Search the CITI Program". Under the search bar, there's a heading "Individuals" with a sub-section titled "Benefits". The main content area contains several paragraphs of text and some small images, though they are somewhat blurry due to the low resolution of the screenshot.
