

Application for the Dissertation of the Year Award

This award program was developed to recognize excellence in dissertation work among our doctoral students. The University of Phoenix, College of Doctoral Studies students who have passed their dissertation defense (with only minor revisions) are eligible for this yearly award. Four awards will be given out, one per doctoral program (Doctor of Education, Doctor of Business Administration, Doctor of Management, Doctor of Health Administration). Awardees will be invited to present their research at the annual Knowledge Without Boundaries Research Summit, where they will also be recognized. Awardees will receive a certificate commemorating their hard work.

Dissertation Chairs may nominate their students who successfully defended their dissertations. Students cannot nominate themselves, they must be nominated by their Dissertation Chairs, and can only be nominated once.

Dissertation chairs, please fill out the [application form](#) and submit it to your Dissertation Chair.
